Nothing's worse than paying too much. That's why we do everything in our power to make sure you don't pay a penny more than you should for anything you buy at Circuit City. If you've seen a lower advertised price from another local store with the same item in stock, we want to know about it. Bring it to our attention, and we'll gladly beat their price by 10% of the difference. Even after your Circuit City purchase, if you see a lower advertised price (including our own sale prices) within 30 days, we'll refund 110% of the difference. Our policy applies only to advertised prices. It does not apply to special offers or promotions, including rebates, free-with-purchase offers, and special financing.
